The entry fee helps us to cover our transport and postage costs, thus enabling us to pass your sponsorship money to the Rotary charities. It cannot be refunded, but in the unlikely event of cancellation of the Walk, any surplus will be donated to these charities.

Additional Sponsorship Forms or Entry Forms may be photocopied from the original, downloaded from our websites, or requested by post.

The following three Charities have been chosen as the main beneficiaries of the money raised from this Walk :

END POLIO NOW - An International Rotary programme based on the mass immunisation of all children in countries affected by this disease. The programme has been so successful that only four areas of the world remain where polio is still endemic. The programme started in 1985. Bill Gates of Microsoft has donated \$355m, and Rotary is committed to match this amount.

HIGHLAND HOSPICE - the local centre for the care of terminal cancer patients.

CHAS - the charity providing facilities for children with cancer, their families and carers.

After supporting these main charities, the remainder of the sponsorship monies will be used to benefit smaller local charities and individuals.
